

AI Study Assistant

This document is used to test multiple file processors.

Features

- Text extraction
- Markdown parsing
- PDF extraction
- DOCX extraction
- OCR support
- CSV compatibility

Numbered List

1. Upload document
2. Extract text
3. Chunk content
4. Generate embeddings
5. Retrieve answers

Block Quote

Artificial Intelligence is useful only when it helps humans learn better.

Code Block

```
def greet(name):  
    return f"Hello {name}"
```

Table
